Dear Planning Board,

I am writing to urge you, as a concerned citizen of Cambridge, to deny Special Permit Application #288. I am gravely concerned about the impact that the proposed redevelopment of this property will have on our city, in terms of environmental impact, congestion, etc. It is an already undeniable fact that this city is becoming overbuilt and overcrowded, and our roads cannot handle the cars on the roads, even as large-scale development (e.g. around Fresh Pond, where I live) continues at an absurd pace.

Thank you for your consideration.
